# Rock Garden Plants

—AND—

## Hardy Perennials

PRICE LIST

FALL 1926, SPRING 1927

Weston Nurseries

Brown and Winter Sts.

Weston, Mass.

## TO OUR CUSTOMERS

The Nursery is located in the town of Weston, on Brown and Winter Streets,—one-eighth of a mile from South Avenue, the road to Framingham. It is fifteen miles from Boston, and there are good roads from all the surrounding towns. See map on back of this list.

Besides the perennials and rock garden plants listed in the catalogue, we grow shrubs, trees, evergreens, fruit trees, small fruit bushes, roses and many native and rare plants, as well as pansies and annual plants for spring planting. All our stock is well grown, carefully handled, and inspected by state inspectors as being free from injurious insects and diseases. We always guarantee satisfactory results when planted.

## WESTON NURSERIES

PETER J. MEZITT, Proprietor  
Brown and Winter Streets  
Weston, Mass.

# Rock Garden Plants and Hardy Perennials

We sell 5 plants at the rate of 10 and 25 at the  
rate of 100

The asterisk (\*) indicates varieties particularly  
well adapted for the rock garden.
